ANASTASIA TUY

0412345678

SUMMARY

I am a highly organised and self-motivated individual currently in my first year after high school, studying a Diploma in Education Studies. I demonstrate initiative and confidence in my work, with strong interpersonal skills that enable me to interact effectively with peers. I am polite, considerate, and efficient, and I show persistence when overcoming challenges. I am also willing to take on responsibilities beyond basic requirements and am committed to continuous personal and professional development.
